Grazing Assn. APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and further subject to the conditions set forth in the ruling dated September 14, 1950, on said application. It must be understood that this permit does not convey any right-of-way privileges nor does it give permittee any right to enter the privately owned land that said source is located on. A substantial weir must be installed and maintained to facilitate the measurement of water. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0

cubic feet per second, and not to exceed a duty of 3.5 acre-feet per acre irrigated.

Actual construction work shall begin on or before June 6, 1951

Proof of commencement of work shall be filed before July 6, 1951

Work must be prosecuted with reasonable diligence and be completed on or before June 6, 1952

Proof of completion of work shall be filed before July 6, 1952

Application of water to beneficial use shall be made on or before

June 6, 1954. Proof of the application of water to beneficial

use must be filed with State Engineer on or before July 6, 1954

Map Filed MAR 29 1950 under 13339

Proof of commencement of work filed JUN 18 1951
